## America Saves Week February 21-28, 2010

### MONEY!!!

The sooner you learn how to save, the more likely you are to have financial freedom and opportunities in the future. Start saving small amounts today to develop a habit that will serve you for the rest of your life!

#### And we will help you do it:

- Young America Saves provides motivation, support, information and reminds you to make a deposit every month (\$ amount does not matter) into your savings account.
- Young America Saves, part of America Saves, is a national movement to change to develop a culture of saving in the United States. Americans are the worst savers in the world and now is our time to do something about that.
- Visit [youngamericasaves.org](http://youngamericasaves.org) and sign up as a saver to start taking positive financial action in your life!

**I WANT TO LIVE  
WITH MY PARENTS  
FOR THE NEXT  
30 YEARS.**

Spending all your money on cheeseburgers, video games, or another pair of jeans might sound like a good idea today, but tomorrow...not so much.

Enroll as a saver at [www.youngamericasaves.org](http://www.youngamericasaves.org) and start saving now to build wealth later.

That, or get used to hanging out on your parent's couch...when you're 40.
